Good morning, Debby.

Please find Dana's concurrence below. I have also attached the final 2018 Cancer Report PDF and a draft Word version (with changes in red) to this email.

Please let me know if you have any questions.

Thank you,  
Marilyn

Hi, Elissa.

Sure. We were looking to get final review and approval prior to sending it to Ray. So it has not been sent to him yet, but can go if it looks to HED and IO.

Hi, Dana.

Below, please find a summary of the changes that were made in the 2018 cancer report. There are 44 new 2018 chemicals that were not included in the 2017 report, of these 13 were found as not registered, and 1 chemical had a risk assessment CAS No. discrepancy (highlighted in yellow).

The new chemicals have all been added to the attached 2018 report and have been noted in red for your review.

Please let me know if you have any questions or comments.

Thank you
